

MaxHub Student Guide

October 2026

Welcome to the student portal for Kurios SAT ICT Training Center and BeadMax Vocational School. This guide shows you how to follow your courses, take lessons and quizzes, and get your certificate.

Contents

1. Getting started
Signing in and finding your way.

2. Learning
Courses, online lessons and quizzes.

3. Graduation and certificates
Getting and printing your certificate.

4. Help
Messages and getting help.

STUDENTS

1 Getting started

Signing in and finding your way.

Signing in

1. Go to www.maxhubng.company and sign in with the email and temporary password your school gave you.
2. Choose your own password when asked. Forgot it? Click “Forgot password” on the sign-in page.

The menu

1. Dashboard, My Courses, Online Lessons, Assignments, Exams & CBT, Results, Attendance, Schedule, Certificates, Messages and My Profile.
2. On a phone, tap the menu button at the top.

STUDENTS

2 Learning

Courses, online lessons and quizzes.

My Courses

1. See every course you are enrolled in and your progress.

Online Lessons

1. Choose a course. Lessons are listed on the right, grouped by week or section.
2. Watch the video, read the notes and download any handouts.
3. If the lesson has a quiz, answer every question and click “Check my answers”. You need the pass mark to complete the lesson — you can try again.
4. Lessons without a quiz: click “Mark as done”. Then click “Next lesson”.
5. Your progress bar fills up as you go. When every lesson is done, your teacher is told.

Assignments, exams and results

1. Assignments: see what is due and submit your work.
2. Exams & CBT: take computer-based exams when they open. Do not leave the exam page during an exam.
3. Results: see your scores and grades.

Attendance and schedule

1. Attendance shows the classes you attended; Schedule shows your timetable.

STUDENTS

3 Graduation and certificates

Getting and printing your certificate.

Your certificate

1. When your school graduates you, you get an email and a notification.
2. Open Certificates and click your certificate.
3. Click “Print or save as PDF”. Choose Landscape, margins None and turn on Background graphics.

STUDENTS

4 Help

Messages and getting help.

Messages and help

1. Use Messages to contact your teacher or the school office.
2. Change your password and details in My Profile.
3. For sign-in problems, contact your school office.
